ORDER

No grounds are made out in the review petition. A review petition cannot be equated to a petition for rehearing of the matter or an appeal proceedings. If the petitioner is aggrieved, it is for him to file an appeal before the Hon'ble Supreme Court. In any event, no valid grounds are stated for condoning the long delay of 279 days. In the above circumstances, both delay condonation petition as well as review petition are dismissed. Since we have not admitted the review petition, the court fee paid in the review petition shall be refunded.
